PERMISSION SLIP

I understand that participation in the Wilderness Survival Camping Trip offered by the Greater Cleveland Council and Great Western Reserve Council BSA on Jan 23-24, 2010, involves a certain degree of risk that could result in injury or death. In consideration of the benefits to be derived and after considering the risk involved, and in view of the fact that the Boy Scouts of America is an organization in which membership is voluntary, and having full confidence that precautions will be taken to insure the safety and well-being of my son, I give (scoutname) my son permission to participate in the Winter Survival Campout on January 23-24, 2010.

In case of *emergency*, I understand every reasonable effort will be made to contact me. In the event I cannot be reached, I hereby give my permission to the physician selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for my son.
